**NARRATIVE:**

Tyrone Bell is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include carrying a loaded firearm, possession of a controlled substance with a firearm, grand theft of property, hit and run with property damage, receiving stolen property, petty theft, possession of a controlled substance, transporting controlled substances, identity theft, disturbing the peace and failing to report. He has served multiple state prison terms, the longest a 2 year term for possession of a controlled substance with a firearm. Bell was released from state prison to the supervision of the Los Angeles County Probation Department on June 25, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2014 after he absconded from post release community supervision (PRCS). Bell qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a controlled substance with a firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
